WE ARE HIRING FOR PT AND FT BILINGUAL PSYCHOTHERAPISTS!!

Be a part of a growing dynamic team that specializes in holistic mental health services through culturally-responsive, linguistically-competent, and clinically-informed deliverance.

Vanguard Clinic is a private mental health practice that provides outpatient psychotherapy services to individuals and families. We serve a diverse population from all of the Twin Cities metro counties, including Washington County, Ramsey County, Hennepin County, Dakota County, and neighboring residents of Western Wisconsin. We provide services to a large Southeast Asian community, particularly the Hmong, and are equally sought out by the majority population for treatment of depression, trauma, anxiety, and other mental health struggles.

Qualifications:

Applicants must be licensed with the following degrees and/or are working toward licensure:

- Master's degree in Psychology, LPCC
- Social Work, LGSW, LICSW
- Marriage and Family Counseling, LMFT
- Doctorate in Psychology or Philosophy, LP

- Bilingual skills in Hmong or a Southeast Asian language highly desirable

Employee Benefits:

- Flexible, clinician-driven schedule
- Collaborative, team-based approach
- Competitive compensation

Unique professional opportunities:

- Community speaking engagements and trainings
- Be a part of a growing team taking lead in creating culturally-appropriate treatments and programs
- Gain comprehensive professional experience working with extremely diverse populations.

How to Apply:

Interested individuals should send resume/curriculum vitae to akvang@vanguardmhclinic.com
